

**Australian Government**

**Australian Transport Safety Bureau**

The Australian Transport Safety Bureau (ATSB) is an independent Commonwealth Government statutory Agency and is Australia's prime agency for transport safety investigations.

## **SENIOR TRANSPORT SAFETY INVESTIGATOR – RAIL**

**Executive Level 1 – Executive Level 2**

**\$92,832-\$116,648 (ongoing)( Level dependant on experience)**

**Reference Number: 10/1101 - BRISBANE**

The ATSB's function is to improve safety and public confidence in the aviation, marine and rail modes of transport through excellence in independent investigation of transport accidents and other safety occurrences; safety data recording, analysis and research; and fostering safety awareness, knowledge and action. Currently there is a vacancy for a senior rail investigator within our Brisbane office. Interested candidates must have relevant qualifications and a depth of field experience in rail track maintenance. Specialist experience as a track design engineer would be highly regarded. In addition to these technical competencies, all ATSB investigators must have an established industry based safety awareness and proven leadership, communication, analytical and technical written skills. The successful candidate will not only benefit from a range of employment conditions designed to support our mature culture, founded on mutual trust and respect, they will also be provided a unique opportunity to join a group of like minded professionals, dedicated to improving safety.

**Security Clearance:** Entry Level

**Contact Officer:** Mark Stallbaum on (08) 81 10 2272

### **Applicants must be Australian citizens**

Please follow the link to ATSB's website to obtain selection documentation and further information on the [www.atsb.gov.au](http://www.atsb.gov.au)
