The Australasian Rail Directory 2019

The Australasian Rail Directory is a comprehensive, all encompassing rail services directory, available both online and as a traditional hardcopy publication.

The Australasian Rail Directory is an industry driven project to provide a complete listing of all businesses involved in the Australian, Oceanic and Asian rail industries.

With over 1,000 listings linking all sectors of the rail marketplace from tenders to manufacture, supply, repair, passenger services and everything in-between, **The Australasian Rail Directory** is an essential reference tool with a long shelf life for sourcing new contacts, as well as refreshing old ones.

The Australasian Rail Directory is launched annually at Asia-Pacific's most influential rail event, AusRAIL, with copies supplied to all conference delegates, ensuring industry-wide exposure across the Australasian rail community.

Free Directory Listing

To ensure that **The Australasian Rail Directory** is completely comprehensive, we offer all businesses who operate or trade in the Australasian rail sector a free listing in the directory.
